

Happy Holidays!

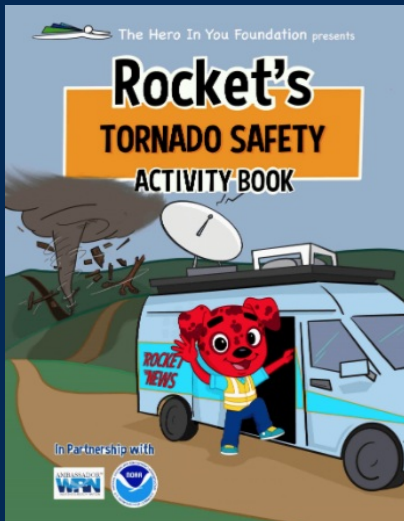

As we celebrate this holiday season Rocket wants you to be safe! Here are a few safety tips to remember:

- **Inspect electrical decorations for damage before use.** Do not overload electrical outlets. Overloaded electrical outlets and faulty wires are a common cause of holiday fires.
- **Never connect together more than three strands of incandescent lights.** More than three strands may blow a fuse, or cause a fire.
- **Keep trees fresh by watering daily.** Dry trees are a serious fire hazard.
- **Use care with candles.** Candles start almost half of home decoration fires.
- **Turn off and unplug all decorations and blow out all candles when going to sleep or leaving the house.**

Rocket & LAPD Deliver Free Pies and Smiles to Families

On December 8th LAPD's Newton Division and Rocket Rules distributed more than 250 delicious pumpkin and sweet potato pies, from local business 27th Street Bakery, to families in the Pueblo Del Rio housing development. Behind the masks, big smiles on everyone - including Officers Ralph Rodriguez and Steve Rodriguez!

ROCKET'S NEW TORNADO SAFETY BOOK

Rocket is excited to announce the newest addition to his Emergency Preparedness Library of Safety Books: Rocket's Tornado Safety Activity Book (for kids).
