

## ROCKET HELPS CHILDREN LEARN FROM HOME

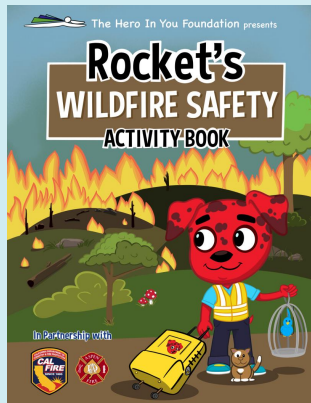

With most children studying at home, Rocket's new **Online Learning From Home** video provides children with a pathway to success by teaching kids to:

- Organize their work space
- Plan their schedule
- Encouraging them to ask questions
- Practice mindfulness to ensure they are following best practices for learning.
- Getting exercise, good nutrition, and plenty of sleep

This video joins Rocket's extensive video library covering a broad range of child safety and health issues.
