

ROCKET RULES PRESENTS AT NATIONAL CONFERENCE FOR SCHOOL POLICE

Rocket's Sense of Safety & Beyond! program was a big hit at the National Association of School Police Conference (NASRO) in Orlando, Florida, attended by more than 1,200 officers from across the U.S.

NASRO's Board officially endorsed Rocket's Sense of Safety & Beyond! Program.

Mo Canady, Executive Director of NASRO:

"Rocket's Sense of Safety & Beyond! Activity Book provides a solid foundation for children to be able to use their senses to avoid dangerous situations...it also helps build positive relationships between law enforcement

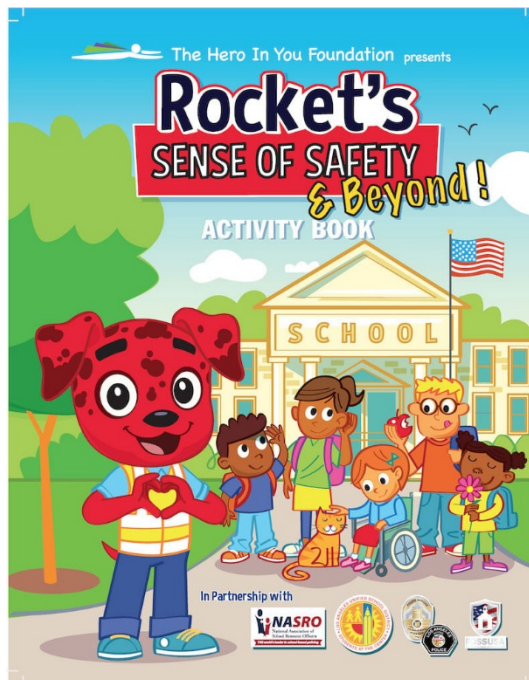

and the communities that they serve."

Looking forward to working with all of the elementary school districts across the nation that have signed up for the program!
