

	I can look left, right, left when crossing the street!		
		I can look left, right, left when crossing the street!		
		I can look left, right, left when crossing the street!		
		I can look left, right, left when crossing the street!		
		I can look left, right, left when crossing the street!		
		I can look left, right, left when crossing the street!		
		I can look left, right, left when crossing the street!		
		I can look left, right, left when crossing the street!		
		I can look left, right, left when crossing the street!
