

Rocket and Sgt. Juan Team Up in 5th Largest School District in the U.S.

Nevada's Clark County School District welcomed Rocket into elementary school classrooms to teach the **Sense of Safety & Beyond! Program**. Sgt. Juan Wibowo co-presented the lessons as the children learned about *Crossing The Street Safely*, *Calling 9-1-1*, *Safe Places* and *Safe People*, and using their *6 Senses* to stay safe at all times. Rocket "zoomed-in live" for an interactive session with students who were amazed at Rocket's in-class, up close, and personal lessons. Teachers and administration have given the program outstanding reviews!
