

SENSE OF SAFETY & BEYOND!

Making safety awareness fun and memorable for grades PRE-K to 2nd

Strengthens positive relationships between children, schools, and police officers!

Rocket Rules and NASRO have teamed to create the “Sense of Safety & Beyond!” program teaching your students to use their 6 senses to make smart life saving decisions to and from school, at home, and in the community. Give your students a Sense of Safety, no matter where they are!

“Rocket’s Sense of Safety & Beyond! Activity Book provides a solid foundation for children to be able to use their senses to avoid dangerous situations”
