

## **SENSE OF SAFETY & BEYOND! K-2**

### **CROSSING STREET LESSON and LEFT-RIGHT-LEFT**

#### **Review Questions:**

1. What does a crossing guard do? Why should you always listen to him/her?
2. What should you always do before crossing any street? Even if there is a traffic light?
3. Which of your senses do you use to cross the street safely?
4. What do you do on a green light? On a red light?
5. Before crossing the street, what are the 3 directions you look for traffic?

What Are The Consequences? (for 1st and 2nd graders):

1. What are the consequences of not looking left-right-left when you cross the street?
2. If you run across the street from between parked cars...and there is car traffic – what are the consequences? What could happen?
3. If you are hit by a car, what could happen?
4. What could happen if you are using your phone or listening to music while crossing the street?
